### **Volunteering at Bodelwyddan Castle – now recruiting!**

Bodelwyddan Castle is now recruiting volunteers for the new season. You can help us provide a welcoming and informative presence to our visitors by assisting us in a variety of roles and areas, while having new experiences, developing your skills, making new friends and having fun!

This year we would particularly like to expand our team of volunteer **room stewards** and **tour guides**.

If you can help in these roles, or would like to find out more about all of our volunteering opportunities, contact Laura Whitley, Visitor Services Manager on 01745 584060 or [enquiries@bodelwyddan-castle.co.uk](mailto:enquiries@bodelwyddan-castle.co.uk).
